IN MEMORIAM

Biswajit Chowdhury

"Bisu"

B.E. COLLEGE · MIN 1991

Passed away 18 October 2026

With heavy hearts, we share the tragic news of the untimely passing of our beloved batchmate, Biswajit Chowdhury. On the night of Saptami, October 17, 2026, while out visiting Durga Puja pandals, Biswajit was severely injured in a road accident near Bankura. After a brave fight, he passed away on October 18 at Mission Hospital, Durgapur. He is survived by his wife, daughter and son.

At B.E. College, Biswajit was the very picture of life, warmth and selflessness. His bright, infectious smile won every heart. He was an exceptionally gifted footballer who ruled the college field for four years, with a talent that could easily have carried him to a career in sport. Instead, he chose to complete his engineering degree at our alma mater.

His two great loves stayed with him for life: Brazilian football and the songs of Kishore Kumar. His family home on Rabindra Sarani in Bankura, the Chowdhury Bari, is painted from roof to walls in Brazil's yellow and green, like a house wearing the team's jersey. It is crowned with a giant "BRAZIL" sign and festooned with flags. Everyone in town knows it simply as "Brazil Bari", and it also served as the local Kishore Kumar Fan Club. His passion became so much a part of Bankura that news of the tragedy was reported in Ei Samay under the name of "Brazil House".

He went on to serve Bharat Coking Coal Limited with dedication and distinction for over 35 years. Beyond his work, his heart was always with his community. He quietly led numerous social service initiatives in and around Bankura, lifting the lives of those around him.

A LAST CONVERSATION

> *About fifteen days before the accident, I had a video call with Bisu, and he came across as truly content. He spoke of how lucky he felt to continue in his PSU job while living in his own house and still find time for everything he loved: adda with old friends at 9 pm, playing football, and making music. When I called, he was up on his third floor, practicing with fellow musicians.*
>
> *We relived the story of the Brazil jersey I had sent from Doha through Kaushik, which his daughter later collected from Kaushik Roy's house on Hindustan Park Road. We reminisced about our journey from humble lower-middle-class beginnings to where we are today. He told me he was fully content with his life, at peace with his salary and his expenses.*
>
> *Bisu was a true gem of our batch, a man with a noble heart. He was an Ajatashatru, someone without a single enemy. His untimely passing is very hard to accept, but we must find the strength to move on. The greatest challenge now lies with his family, and our thoughts and prayers are with them.*

Biswajit leaves an irreplaceable void in our hearts, in the B.E. College fraternity, and in the community, he served so selflessly. Our deepest condolences go to his family at this difficult time.

May his noble soul rest in eternal peace.
You will be deeply missed, Bisu.

GAABESU joins the family in wishing eternal peace for his soul.
