

2000 Alumni Scholarship Recipients

10 students have received 2000 Alumni Scholarships each worth Rs. 8000. The alumni scholarship program is designed to help currently enrolled needy B.E. College students. The program is supported by the generous alumni donations and donation to the scholarship fund is exempt from US federal tax. The Alumni Scholarship program has started in 1999 and 9 students have received 1999 Alumni Scholarships.

Dipesh Debnath, 5th Semester
Mining Engineering

B1/53/3 V.K. Nagar, Durgapur,
WB, Pin - 713210

Dipesh's comment about how
Alumni Scholarship will help him:

...I want to become a software professional. Lack of financial help has prevented me from obtaining proper and systematic software education. This scholarship will help me to get computer education....

Dipesh's annual household income:
< Rs. 40,000.

Santanu Halder, 5th Semester
Electrical Engineering, Village -
Sahajadapur, P.O. - Nimpith
Ashram, District - 24 Parganas,
WB, Pin - 743338

Santanu's comments about how
Alumni Scholarship will help him:

...I want to be a Professor in my life. I want to be a Professor at Bengal Engineering College (D.U.). For this I have to complete higher studies after B.E. But due to my families' poor financial condition, I will not be able to carry on my studies without any help from the authorities. So Alumni Scholarship will help me greatly in achieving my goal. And if I am successful in life, I will also help and encourage needy students to carry on their studies. ...

Santanu's annual household income:
< Rs. 30,000.
